

SHERMAN LAKE YMCA

Bring A Friend Camp Discount Program

Thank you for downloading this form and being an official Sherman Lake YMCA Camp “recruiter.” Our Bring a Friend Program is a wonderful way to “earn your way to camp.” For each new Sherman Lake YMCA camper you recruit, you will earn \$25 to be used at camp. Recruit just 8 new friends for classic day camp and you will earn your week at camp! Recruit 10 new friends for classic resident camp and you’ll come for half price! We will help too! If you host a party at your house or location of your choice, and you have 10 friends and their parents attend (parents must be there), a Sherman Lake YMCA staff person will visit, present a slide show, and answer any questions your friends and their parents may have, and sign up your friends for camp. We will even bring a surprise for everyone who attends.

There are a few qualifications that you need to know about, they are listed below:

- Your friend(s) must be a “first-timer” to the Sherman Lake YMCA Camp. A sibling who has never been to any Sherman Lake YMCA Camp programs will qualify.
- You and your friend(s) must attend the same week (not necessarily the same camp).
- You and your friend(s) must submit this form at the time of registration and register for camp at the same time.
- For each friend you refer you will receive \$25. The \$25 may be used toward your camp fee or at the camp store. The certificate must be submitted to be used at the camp store. **No cash refunds will be issued for this program.**

Sorry, this program is not open to those receiving camp scholarships.

Submit this form with your camp registration for both campers.
