Allergies to medications: (please list medication and reaction)

---

Medication must be brought in the original pharmacy container and should include only the medication needed while at camp. I understand that unused medications for Day Campers are not carried home by the camper. An unused medication must be picked up at camp. The parent/guardian(s) may pick them up at the Sherman Lake Administrative Office, M-F during business hours 8AM to 5PM. Resident Camper medications are returned to the parent/guardian at check-out. The Health Office does stock acetaminophen and ibuprofen in liquid, chewable and pill form.
